

On the Move

Connection and support
for leaders of an
After the Boxes are Unpacked
study

October 2019

The Just Moved Community is Growing!

Women are joining the JMC nearly every day! The connection, discussion, and encouragement that JMC members find with the [JMC Facebook group](#) has become a very active and vital part of Just Moved Ministry. (Thank you, Jamie Vukelich, our director of Social Media!)

The first place of connection and encouragement for your study members is in YOUR study group! Every time you gather for the study, every opportunity you create to connect, helps these women start putting down roots in God and in their new town.

The JMC Facebook group adds to your ministry as it broadens their circle to learn from and be encouraged by uprooted women around the world!

Please encourage your newcomers to join the [Just Moved Community](#) and then request to be added to the many who are benefiting from the Just Moved Community Facebook group. Here's the link to the Facebook group:

How about you? Have you joined yet? As a leader, you have wisdom and insight that would be an encouragement to JMC members. You may also meet someone who lives in your area! It's happened before!

Susan and JoAnn at Gather Military Conference!

Wow! For 15 years Susan Miller has been invited to bring her gift for encouraging women and her message of hope to the annual Christian conference (*Gather*) for military spouses. She and JoAnn just returned from this annual trek to Colorado Springs.

Over the years Susan and JoAnn have established strong bonds with hundreds of women married to the military. These women often carry extra burdens. Not only must they move frequently, but they're often alone to manage family and home while their husbands are deployed. In addition to these demands, husbands may return with injuries that have a huge impact on the marriage and family.

Many of these dear women have chosen to reach out to women at their military installation by starting an *After the Boxes Are Unpacked* study.

Just Moved Ministry donates the [After the Boxes Are Unpacked Video Series](#), a *Facilitator Guide*, and 7 *After the Boxes Are Unpacked* books to any U.S. military installation that wants to offer the study. [Donate](#) to this outreach.

New issue of *Bloom!*

Suffering has been defined as not getting what you want. In that case, to one degree or another, everyone has suffered! In this issue: why does God allow suffering? How should we respond to our own suffering and to the suffering of others? How can we care for ourselves during times of suffering?

Please call [480.991.5268](tel:480.991.5268) or email JoAnn if you are interested in receiving this publication for your newcomers or [sign up](#) for this free publication.
