Leader Tips - Create opportunities for your online study members to connect

Meeting in person? These ideas can be adapted for your in-person study group.

Meet the Mates night. Choose an evening to have a get-together for the women and their husbands, significant other or friend. Make it a casual, get-acquainted evening. Come

prepared with a few questions that will help draw them out. Remember to take a screen shot and email to [JoAnn](#) or [Paulette](#)!

Cooking Class. This class could be led by someone in your study group or by a chef you know.

Set the date and time and share the list of ingredients so that each member can be prepared to follow the instructions in her own kitchen. Bon Appetit!

Virtual Scavenger Hunt. Send your women in a race round their homes to be the first to return with the item OR let the group vote on the item that best meets the requirements. Here's a list to get you started: kitchen utensil, something furry, something that begins with the letter "b", something you use every day, something smaller than a dollar bill, something you can eat or that smells good, something bumpy. Have fun! Email the pictures to [JoAnn](#) or [Paulette](#)!

Meeting in-person? Adapt this fun activity by having your members search their purse for the item!

Celebrate the moment!

When a member of your study group experiences a breakthrough or has something to celebrate, wave your pink pom-pom to celebrate her accomplishment!

Consider purchasing a pink pom-pom from Just Moved Ministry for each member of your study as a reminder to celebrate personal victories!

Our pink pom-poms, with an "After the Boxes" label on the handle, are \$6.00 each

(includes shipping) and can be purchased in our [Shop](#).

Have you responded to our brief survey?

[Just Moved Ministry Survey](#)

You're important to us, Paulette, and we value your perspective and input. If you haven't already, please complete our brief survey. Your responses will assist us in keeping pace with the experiences of our study leaders and the emotional and spiritual needs of those who find themselves starting over in a new place.

Your survey response will be anonymous.

Thank you for helping us be more effective in ministering to the uprooted!

April *After the Boxes* Study Group Spotlight

Online Study Group led by Donna Kushner

Ashleigh, a member of the study group, posted this grateful message following the group's online Christmas party.

"I never thought I would live in a town I never have before and NOT have a single Christmas party to attend because of Covid19. I have a closet full of Christmas sweaters I

am aching to wear but no place to go, so I end up begging strangers (that soon become friends and sisters in Christ) across the country to do ONE MORE Zoom Session so I can have at least "ONE" Christmas party to attend this year! So that's what we did... we wore sweaters, drank hot cocoa, and each shared about a favorite ornament, tradition, or decoration we had in our house. It was soooo FUN! It will probably be one of my favorite parties for years to come. THANK YOU for giving me my ONLY Christmas party this year! Your efforts, support, encouragement, and love in coordinating our group have meant more than you will ever know."

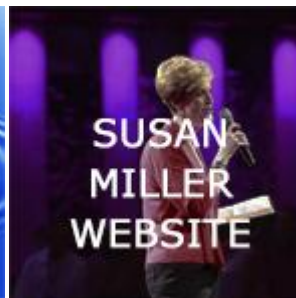

Email [Paulette](#) or [JoAnn](#) your fun photo of your newcomers to be submitted for a future [Group Spotlight](#). [Click here](#) for instructions for taking a screen shot of your online group.
